🌐 linkedin.com/in/praveen-03 📍 Kovilpatti, Tuticorin-628503

PROFILE

Highly motivated React Native developer with **2.8 years** of experience seeking a challenging position to leverage expertise in building cross-platform mobile applications and contribute to innovative projects within a collaborative team environment.

WORK EXPERIENCE

Mobile App Developer - React Native

Centizen Inc

Dec 2021- Present
Tirunelveli, Tamilnadu

- Structured reusable UI components based on custom design specifications to optimize coding efficiency and maintain high-quality standards.
- Proficient in Formik and Yup for validation in React Native.
- Implemented product details, checkout, authentication pages in an E-Commerce application.
- Performed unit testing for several components using Jest.
- Well versed in integrating with existing components and building custom components.
- Accurately tested and debugged all components prior to deployment.
- Utilized Redux and the Context API for state management of components.

Achievements:

Rising Star: Awarded for outstanding performance and contribution to the team.
Most Determined Employee: Recognized for exceptional dedication and perseverance in project delivery.

PROJECTS

Zenbasket Admin (E-Commerce Application)

Admin dashboard for ZenBasket , facilitating easy management of products, orders, and user accounts.

Zenbasket User (E-Commerce Application)

Developed a responsive design for an online shopping platform.

Work Force Management

Contributed to the development of a workforce management application, enabling businesses to schedule shifts, track employee attendance, and manage payroll.

Zenbasket POS

Developed the mobile POS system for ZenBasket , empowering merchants to efficiently manage sales, inventory, and customer interactions. Implemented features such as barcode scanning, order processing, and payment integration to streamline checkout processes and enhance operational efficiency.

Technologies Used: React Native, React Navigation, RESTful API s, JavaScript, Typescript, React Native elements, Jest, Detox.
